# GLOBAL LEADERSHIP ELEVATION BEYOND DEVELOPMENT

## THE BIG ELEPHANT IN THE ROOM: A GLOBAL LEADERSHIP CRISIS

Joseph has a Unique and ELITE Background. As a Hand-Picked B-2 Stealth Bomber Instructor Pilot, he loved being on the Cutting Edge of the "Global Chess Game." However, as he moved up in Air Force Rank, he became increasingly frustrated by the lack of Real Leaders and Mentors. Gone are ELITE Leaders such as Patton, LeMay, Napoleon, Marcus Aurelius, Alexander and Catherine the Great...or are they? From his Deep Experience, Joseph knows that Leaders are Developed through Mentoring and Time on Task, but too often we Leave our Leaders to Sink or Swim in New and Elevated Positions. That Trend Stops with Joseph and Stealth Elevation.

Just like You, he sees a world trending in a Dangerous Direction--Joseph sees a Pathway to Change this tide, but We need to Develop Real Leaders...YESTERDAY. Stealth Elevation was born out of Joseph's Deep Passion to help Leaders in every Industry Become ELITE in Life and Leadership, so that we can collectively Rise against the "Bad" and "Weak" Leadership that Permeates Society Today; In Order to Create a Great Country and World of Tomorrow.

## WHAT IS STEALTH ELEVATION AND HOW ARE WE DIFFERENT?

We all Know Leadership Development Events and especially Speakers in this category are generally Dry, Long-Winded and full of Short Term Impact in the form of 1, or 2 takeaways. Oftentimes, they have very little or no Real-World Experience and offer purely Academic Solutions that just don't work for You, Your Team or Your Esteemed Clientele.

Joseph created Stealth Elevation to help Leaders in a New Way--BEYOND Development..ELEVATION. You need Tangible Results, Real-World Examples and Applicability to Your Unique Situation. You also need a Leadership Speaker who Knocks it Out of the Park, is Experiential, Entertaining, Inspirational, Motivational and not BORING!

Joseph will solve all of these issues and then some. Stealth Elevation Events are Customized to You, Your Team and Your Goals: Keynotes, Breakouts, Conferences, Seminars, Masterclasses, Leadership Retreats, Mutli-Day Programs--there are No Limits--Joseph is Passionate about Creating "Stealth Elevated" Leaders who go on to change their World.
